WELCOME TO ÜBERGRIPPEN

Übergrippen is an indoor climbing crag. We provide climbing equipment and instructors who will be responsible for all the birthday fun and indoor climbing activities.

WHAT TO WEAR

Kids should come wearing athletic shoes and comfortable loose fitting clothes that will let them freely climb and take part in other physical activities. Skirts, short shorts, and dresses are not ideal climbing wear. Closed toed shoes are required, - no sandals, flip flops, etc.

ARRIVAL TIME

At the time the party starts, the kids will be brought back into the birthday party room, fitted with a harness, and then will have 90+ mins to climb in a dedicated area of our facility supervised by our instructors.
